## STATEMENT OF RECEIPTS ONLY

### CANDIDATE'S AND CANDIDATE'S CAMPAIGN COMMITTEE W.S. 22-25-106 through W.S. 22-25-109

Each candidate and each candidate's committee is required to file a fully itemized statement of receipts at least seven (7) days before any primary, general or special election with information required current to any day from the eighth day up to the fourteenth day before the election

The general rule is that candidates and committees should note and keep track of all campaign contributions no matter how small. The law only requires you to itemize on this form contributions (receipts) totaling \$25.00 or more. However, please keep in mind that if you receive \$10.00 from a contributor who then later gives you \$20.00, you must report the total \$30.00 contribution on this form.

A candidate who fails to file the statement of receipts required by the seventh day before the election, shall have his name printed on a list as specified under W.S. 22-25-108. The list shall be posted and made available to the public. A violation of the campaign reporting provisions of the Wyoming Election Code may constitute a misdemeanor and be punishable by a fine as provided by W.S. 22-26-112. Failure to file within one month of the report due date will make the candidate ineligible to run as a candidate for any state or local office, for which a statement is required, for five (5) years or until the required statement is filed.

As provided in W.S. 22-25-109, the secretary of state shall report the names of all candidates in violation of the Election Code of the state of Wyoming to the attorney general or to the district attorney for appropriate action.
