

Addressing your COVID-19 Vaccine Concerns

WEBINAR

Tuesday, April 27, 2021

12:00 PM MDT

Duration: 1 hour

30 minute(s)

Please join the Region II National Preparedness Division and the HHS Office of the Assistant Secretary for Health (OASH) for a for a virtual discussion about the COVID-19 vaccine.

The goal of this webinar is to address concerns associated with the COVID-19 vaccine and share accurate and timely information, as well as identify tailored messaging to foster vaccine confidence. Guest speakers will include medical and public health experts who will address concerns associated with the vaccine as well as highlight community approaches and tailored messaging to foster vaccine confidence.

Objectives:

- Increase knowledge on the COVID-19 vaccine
- Identify and address community concerns in Region II
- Highlight outreach efforts and tailored messaging that fosters vaccine confidence
- Share updates and resources on the COVID-19 vaccine

Who should attend? The whole community – individuals and families, volunteer and faith-based organizations, local, state, federal government and private sector.
