Petition for Division of Platte County Rural Fire District 2F

This special district is to be divided under the authority granted by Wyoming Statutes § 35-9-212 through 35-9-215 pertaining to the division of a fire district and under the Special District Elections Act of 1994, Wyoming Statutes § 22-29-101 through 601.

1. That the signatures of owners of fifty percent (50%) or more of the privately owned lands of the proposed detracted area (*Antelope Gap Rural Fire Protection District*), who constitute fifty percent (50%) or more of the taxpayers within the proposed detracted area are attached to this petition for division.
2. The name of the proposed district is Antelope Gap Rural Fire Protection District.
3. All land in the Platte County Rural Fire District 2F and in the proposed Antelope Gap Rural Fire Protection District lie within the boundaries of Platte County, WY.
4. Description of the boundaries of the proposed Antelope Gap Rural Fire Protection District and the land situated therein with particularity:
That portion on the east side of Platte County Rural Fire District 2F shown in the 2F bylaws as "Antelope Gap Zone" and consisting of those parts of Voting Precinct 1-6 and 9-1 currently in District 2F; excluding Fire District 1F, Guernsey Fire District, Chugwater Fire District, and the areas within the incorporated boundaries of municipalities within the County specifically including Chugwater, Wheatland, Glendo, Guernsey, and Hartville. (See Attachments A and B.)
5. That the persons signing this petition request that the Platte County Rural Fire District 2F be divided under Wyoming Statute § 35-9-212 through 35-9-215, and under the Special District Elections Act of 1994, as amended, Wyoming Statutes § 22-29-101 through 601.

Benefits of forming our own district:

Forming Antelope Gap Rural Fire Protection District would provide for local control, which would benefit landowners and volunteer firefighters. These benefits include:

1. Fostering local involvement and "ownership" by residents and landowners.
2. Providing funding for equipment and services that better meet the needs of Antelope Gap's firefighters.
3. Adoption of fiscal procedures that are flexible and allow firefighters to purchase needed equipment and services in a timely manner.
4. Allowing Antelope Gap's assets to earn money by providing aid to other districts on paid fires.

5. Helping to minimize Antelope Gap firefighter liability with policies and operating procedures tailored to our district's specific needs.
 6. Providing fire training that is relevant to Antelope Gap's firefighters and that is appropriate to our grassland habitat.
 7. Creating a smaller area that is more easily managed by the district board. This would:
 - a) streamline the administrative process,
 - b) make it easier to comply fully with state statute, and
 - c) provide better accountability of public funds.
6. The following persons are willing to serve on or file as candidates for election to the initial board of directors:
