

RESOLUTION # 2017-5

A Resolution Regarding an Industrial Road Project for South Guernsey/Tank Farm Road

WHEREAS the Board of County Commissioners of Platte County deem that public safety and interest requires the establishment of an industrial road within Platte County namely– South Guernsey/Tank Farm Roads, South Guernsey Road being 3 miles in length, starting just south of the Platte River Bridge and Tank Farm Road being 2.4 miles in length, starting at South Guernsey Road and terminating at the tank farm. A road-building emergency prevails due to the condition of the existing roadway, the current traffic loads, and the potential long-term effects of the heavy traffic on this Platte County road; and

WHEREAS the Board of County Commissioners desire to safeguard the lives of Platte County residents who travel these roads; and

WHEREAS Tank Farm Road is necessary for travel to and from the tank farm which includes Hiland Crude, 88 Oil, Tallgrass, Suncor, Sinclair, Platte Pipeline, Spectra Energy and Rocky Mountain (Plains) Pipeline;

NOW THEREFORE, BE IT RESOLVED that the Board of County Commissioners of Platte County, Wyoming, do hereby

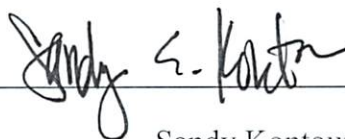

1. Propose to establish an industrial road on South Guernsey/Tank Farm Roads;
2. Request that the Wyoming Department of Transportation dedicate Industrial Road Project (IRP) funds to improve said road;
3. Agree to match the IRP funds as required;
4. Request the appointment of viewers to view the proposed project;
